TRAINING & PLACEMENT CELL

Prof. Ram Mohan Varanasi

M.A(English) from Kakatiya University

P.G.Diploma in English Language Teaching from Osmania University

P.G. Diploma in Industrial Relations and Personnel Management

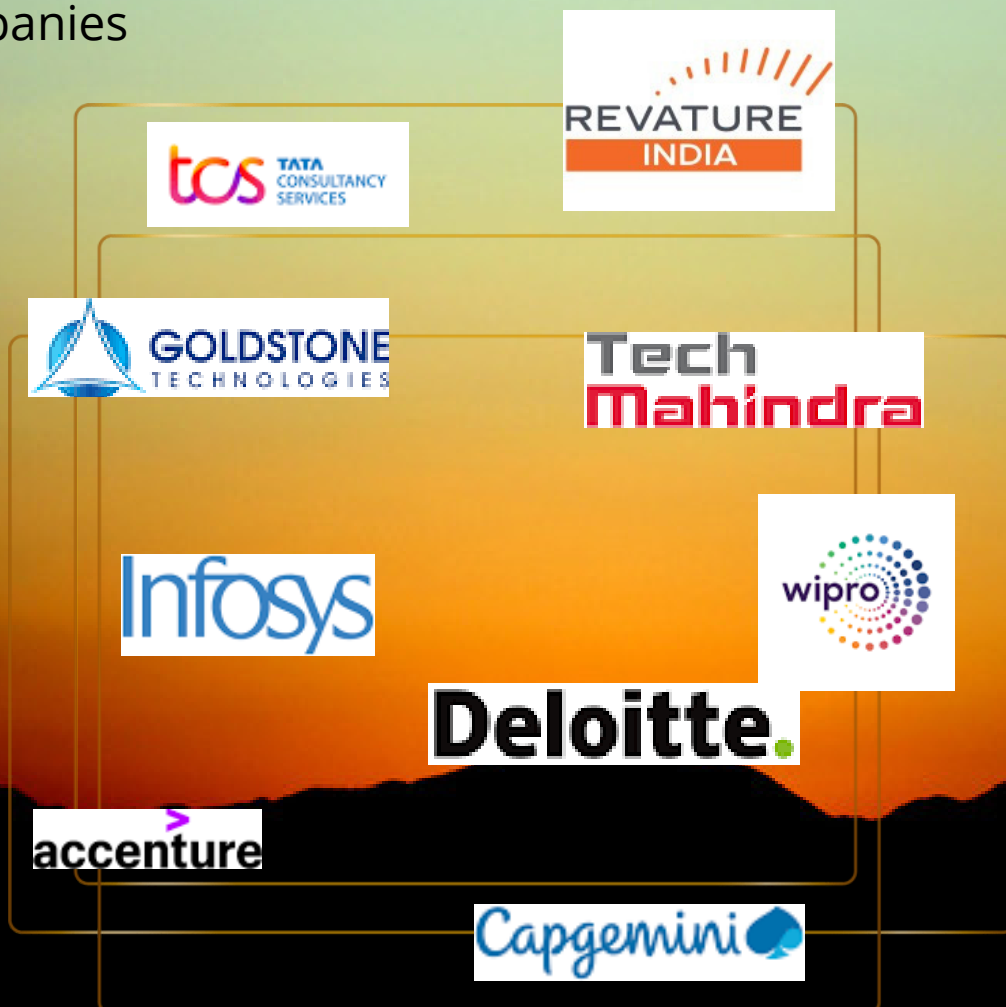

Presented Papers @ National and International Conferences,

Secured second prize for presenting a paper on **"Teaching of English Grammar-A Novel Perspective"** at the International Conference, TGPCET, Nagpur

Ram Mohan Varanasi is enriched with experience in teaching and training English language and Soft skills in educational institutions, coaching centers, corporate companies, etc

He is more of a facilitator than a trainer. He facilitates the aspirants to acquire the skills naturally and make them career ready.. His classes are more interactive, interesting and activity-oriented

Inspite of corona pandemic , we could manage to get a few companies on campus and conducted placement drive successfully . However , most companies conducted the requirement process online and we are very much delighted to see most of our students placed in comapanies

College EVENTS

BATHUKAMMA

Bathukamma, the colorful floral festival of Telangana that symbolizes culture and identity has been celebrated at MRIT with grandeur and enthusiasm amidst the lush green nature on campus on 9th OCT 2021. The celebration manifested the eminence of nature, united spirit of MRITians, and the audacious fervor of the women staff and students

WORKSHOP

This three-day class will introduce Python, the "batteries included" programming language designed to emphasize code readability. Learners will gain the working knowledge needed to start programming, debugging, and using Python in everyday tasks. Students will learn the basics of writing and running Python scripts. We will cover topics for people completely new to programming along with comparisons and contrasts to other programming languages. Machine Learning will completely transform the Accounting & Financial Services Industries

PRAGNA 2K21

Seminars, elocution, group discussions are important for all academic programs and provide opportunities for the students and analyze a range of new material, ideas and concepts together with the tutor. It helps in developing a wide range of communication and study skills, building confidence, easing communication between students and tutors in which many of the students have been awarded for their best performance

DIWALI

The much-awaited festival of light is here. Diwali, also known as Deepavali, is celebrated across India with great enthusiasm as it symbolises the victory of good over evil. Derived from the Sanskrit word 'Dipavali', which means a row of lights, Diwali has been celebrated since time immemorial.

Which is greatly celebrated with the help of all the students and faculty with great immense and joy.

ORIENTATION DAY

An orientation program is organized formally to welcome the newly admitted B.Tech students at the institute premises every year to assist them in starting their academic journey. The major objective of the program is to make the parents and students aware of the academic aspects of the course, the rules and regulations of the Institute, and ensure parental participation in monitoring the performance and progress of the students. Additionally, you'll have a chance to meet and interact with the Head of the departments, faculty, and fellow students. Orientation programming, regardless of length or format, aims to introduce students to both the academic and social aspects of an institution.

CELE-FIESTA

Cele-fiesta was held in the month of November. College festivals are one of the first arenas for students where they are put together from various streams and asked to manage a large event. This taste of a real-world experience can build a variety of skills and be the perfect tool for practical learning. A college festival augments a student's practical learning experience. Many students took the initiative and helped each other for making the event successful.

Graduation day 2020 and 2021

Graduation is a time of life that will never come back and there's no better way to celebrate it with some good graduation messages and wishes. You feel so proud of yourself for completing your studies because this is the day that all the hard work you have put in finally pays off. A new phase of life starts right after graduation, so, it can also be termed as the beginning of your success. This is such a joyous and proud moment of celebration. You should enjoy every minute of this day because it is a day that pays off all your hard works.

Utsav Aikya 2k21

Utsav Aikya, as the tag line indicates celebrations of togetherness. The 18th of december 2021 was a **Memorable Day in the Life of Every Fresher**, which brought every one together to immense in their enjoyment and have a good interaction among others.
